SMART CONSTRUCTION

Pilot Web v4.3.0

Updates

Processing during Create Project File has been corrected.

- All Surfaces are imported even if multiple Surfaces exist in the design data (LandXML).

Add projections and geoids for Philippines, France and Latvia.

【Projection】

Region	Projection
Philippines	Philippines zone I
Philippines	Philippines zone II
Philippines	Philippines zone III
Philippines	Philippines zone IV
Philippines	Philippines zone V
Latvia	LKS92

【Geoid】

Region	Geoid Name
France	RAF20
Latvia	LV14
Latvia	RIGA20
